Denman Conservancy Notes

Submitted by John Millen

The Conservancy Board is very pleased to be able to announce receipt of two large anonymous donations (\$20,000 to 30,000 range) from Denman Islanders in the past month, to go towards our acquisition fund. Our Acquisition Committee is working hard on some excellent prospects, but for good reasons cannot reveal which properties we are interested in.

Conservancy table at the Christmas Faire was a success again this year. It's fun to be part of such a friendly event with the added thrill of generous donations (it definitely is the giving season) and many new and renewed memberships. We received \$700 in gifts plus a total of 50 signed up members. A special welcome to the 18 new members! Glenn Snook's donation was the result of his Fresh Fig Fundraiser Thanks to you all for your support.

The Legal Committee of DCA has arranged to meet with Hans deVisser of Mill & Timber, at his request, on 23 December. Mill & Timber is one of the partners of 4064 Investments Ltd. Our discussions will be confined to the law suit, Conservancy v. 4064 Investments.
